

Dedication

To HOPE! is dedicated to my dear friends, Dianne and Ed Murray, who persisted when I faltered and who answered when I questioned, until the Mass became a reality; to Jane and Jim Bancroft, whose loyalty over the many years has defined the meaning of friendship and trust; and to the memory of Bill Manor.

The "Our Father" is dedicated to Father Ron Brassard, who insisted that I write it for inclusion in this Mass. Special thanks to "Father Dick" (Rev. Richard Theisen), whose kindness, long ago meant much to me; to Marie Corbin, whose believing and daily prayers encouraged my endeavors; to Father Enrico Garzilli for his contributions as celebrant; to Dr. Peter LaManna, Dr. C. Alexander Peloquin and Erich Kunzel for their contributions as conductors preparing the Mass for its first public presentation; and especially my family, both related and unrelated, who supported me throughout the project.
